## DECLARATION

We rely on the information you provide us with, to decide whether to insure you and the terms on which we will insure you. To comply with your duty of disclosure when first entering into an insurance contract with us, you must tell us everything you know, or that a reasonable person in the circumstances would be expected to know, that a prudent insurer would want to take into account in deciding whether to accept the insurance, and if so, on what terms. This applies to every insured under the policy. If you fail in your duty of disclosure we may avoid your contract retrospectively and treat your insurance as if it never existed. You do not have to tell us anything that is common knowledge that we should know through our business, that reduces the risk of a claim or that we tell you we do not need to know.
